

## **2011-2012 Statistics & Actuarial Science Endowment Award**

These awards are presented to students in the major/honor program with high academic standing.

### **Yuefeng Ji writes:**

I am Yuefeng Ji, a second degree student at SFU. Before studying at SFU, I finished my first degree at Huazhong University of Science & Technology in China with a major in Applied Physics. Now, I am in the Actuarial Science program and find it really interesting. I believe it is a new beginning of my life and I am so excited that I have the opportunity to be an actuary in the future.
